

SILVERLAKE Beach CAMP

JULY 13th - August 14th

Silverlake Beach Camp offers a unique day-camp experience for elementary school children. In a small multi-aged group of up to twenty five kids, we spend each day exploring our one-of-a-kind city. We visit L.A.'s best beaches, parks, museums, gardens, historic sites, noteworthy neighborhoods and classic restaurants—all by passenger van, and once weekly we take public transportation. Because of our small size, we are able to give individualized attention to each family, make sure kids wear sunscreen and eat their lunches, document each day with dozens of photos (available to view and download on our Flickr site), and visit sites bigger camps miss. Since 2003, owner/director Kari Druyen has provided campers the opportunity to swim in the ocean, run through sprinklers, climb trees, hike mountains and discover the wonders of our amazing city.
